OF AMERICA, INC.**

2016 Awards Program

October 6, 2016

*Wyndham Garden York
York, Pennsylvania*

Chinese Shar-Pei Club of America, Inc.

Founded in 1974

The CSPCA Awards Program was established by the club in order to recognize those dogs that excel in events and represent the best attributes of our breed in a positive manner, as well as the people that have made positive contributions to the club and breed. You must be a member of the CSPCA to qualify for these awards. The only exception is the Canine Distinguished Service Award, and any dog is eligible to be nominated by a CSPCA member or CSPCA Affiliated club for that award.

Dogs Having Fun Slide Show

The slide show was put together by Paula Perry. We would like to thank everyone that sent photos for the Dogs Having Fun presentation.

Special Recognitions

Each year the CSPCA finds something that they can leave in the community where we hold our National Specialty show as a symbol of goodwill. It is our way of leaving the community better off for having us in their area. We try to match our gift to the community to something that will benefit the dog owners in the area. This year the board of directors has chosen to make a donation to the Pennsylvania State Animal Response Team.

We are also recognizing a Pennsylvania state legislator for his work and contributions to animal welfare in the state. He is being presented with the AKC Legislator of the Year - Pennsylvania by our Legislative Chairman, Darin Cox.

Pennsylvania State Animal Response Team:

Among the major lessons learned from Hurricane Katrina are people may not evacuate if they cannot take their pets with them, and they may return to their homes before it is safe to do so if they did leave animals behind. These lessons are part of why the Pennsylvania State Animal Response Team was formed. This non-profit, public-private partnership now has teams of trained volunteers throughout the Commonwealth who can set up an emergency shelter for pet animals or production animals almost anywhere on short notice. The PA Federation of Dog Clubs is a prime supporter of PASART that actively encourages member organizations to donate and send volunteers to train with

this vital program. Tonight, as part of the CSPCA's on-going efforts to give back to the communities hosting our National Specialty, we are donating \$300 from the Legislative Committee's budget to aid PASART.

AKC Legislator of the Year Award being presented to Stephen Barrar

In addition to chairing the CSPCA Legislative Committee, I also serve as President of the PA Federation of Dog Clubs. This year we worked with PA State Representative Stephen Barrar on funding needs for PASART. As Chairman of the House Veterans Affairs and Emergency Preparedness Committee, Rep.

Barrar took the time to listen to the concerns from the PA Federation of Dog Clubs about the future of PASART if funding is not found.

In response to that first meeting, Chairman Barrar invited representatives from PASART and PFDC to address a joint hearing of the Committee to further present our concerns. As a result, funding was included in the 2016-2017 PA Budget and the PA Emergency Management Agency is working with PASART to keep the program growing.

Tonight we present the AKC's Legislator of the Year Award for PA to Chairman Stephen Barrar for his work in protecting the pets and production animals of the citizens of PA safe by keeping the vital Pennsylvania State Animal Response program alive.
